---

<sup>1</sup> This chart identifies certain holders of Invalid GO Bond claims based on a summary review of proofs of claim filed against the Commonwealth categorized by Prime Clerk (the Debtors' claims agent) as "Bond" claims or "Insurers of Long Term Debt" claims. The Objectors object, at a minimum, to these claims. The Objection will be served on the above entities at the service addresses provided on their respective proofs of claim, as well as on their counsel, if known.
